viewed by steamship officials, that 100,000 Americans will visit Europe during the first year after the war, and that they will spend an average of \$1,000 cach, \$100,000,000 will be returned to the European countries within twelve months after peace is restored. Europe will, of course, be a greater show place than ever before, after the war.

Inquiries and applications for passage on the first ships to sail from the United States after the war are rolling into the booking offices by hundreds and causing steamship companies to make every preparation to handle the biggest trans-occan traffic in history after the war.

Has 170 Booked for Passage.

Has 170 Booked for Passage. But two companies—the North Ger-man-Lloyd and the Hamburg-Ameri-can line—are actually accepting tenta-tive bookins, in the face of the un-certainty as to the termination of the war. Hamburg-American line offi-cials refused to divulge the number of passages already booked. These book-ings are being made in the order of receipt and are subject to cancella-tion.

Companies Constructing Ships
to Handle Business.

New York, Sept. 18.—Millions of dollars poured into this country by Warring European powers for munitions are to be poured back into Enternations are to be poured back into Enternations.

The North German-Lloyd has 170 passengers booked for the first vessel to sail after the close of hostilities. The International Mercantile Marine, which controls the American line, the Atlantic Transport, the White Starcand the Red Star lines is making preparations for record traffic both east and west bound, according to J. B. Lindsay, bocking agent, Transmay take a jump after the war, Lindsay, but the said of the close of hostilities. The International Mercantile Marine, which controls the American line, the Atlantic Transport, the White Starcand west bound, according to J. B. Lindsay, bocking agent, Transmay take a jump after the war, Lindsay, but the close of hostilities. The International Mercantile Marine, which controls the American line, the Atlantic Transport, the White Starcand the Red Star lines is making to be a supplied to the close of hostilities. The International Mercantile Marine, the Atlantic Transport, the White Starcand the Red Star lines is making to be a supplied to the close of hostilities. The International Mercantile Marine, the Atlantic Transport, the White Starcand the Red Star lines is making to be a supplied to cancellation.

Constructing New Ships. return to their home countries to aid in the work of rehabilitation. American curiosity to see famous tertitering fields and the desire of aliens to play a part in rebuilding the war-torn cities of their countrymen will send money flooding back to Europe, according to indications at steamship offices here today. Taking as an estimate, as they were prepared to handle heavy

Firemen's Tournament in Topeka Was a Big Success.

Nearly a thousand firemen from cities and towns in Kansas ended an unusually successful tournament and convention in Topeka Saturday evening with the completion of events in the fair grounds. The Clay Center company took first place in seven of the tournament events. The Wamego company won the purse of \$25 for the best appearing team in the parade.

The time and place of the next Financed By Women. The time and place of the next tournament will be decided in the next meeting of the executive committee.

The election will be held in the afternoon. In the morning special communion services will be held to which the public is invited. Bishop Millspaugh will then make a short speech outlining the duties of the coadjutor. The election of coadjutor must be sanctioned October 9, in St. Louis, by the house of bishops which meets at that time. The house of bishops meets but once in three years.
